

Beth Vogt Captivates Audiences Everywhere with Her Debut Romance Novel, *Wish You Were Here*, Full of Humor and Suspense

“Beth Vogt hits a home run with her debut novel, *Wish You Were Here*. Quirky, snappy, and sweet, it’s a story of finding true love that will leave you sighing and smiling.” —Rachel Hauck, bestselling and award-winning author of *The Wedding Dress*

“What a delightful story! From the first line to the last page Beth captivated me with her voice and her charming, funny yet poignant story about letting go of your life and finding the love that’s been waiting all along. A fabulous first novel...I can’t wait for the next by this talented new author!” —Susan May Warren, Rita Award-winning, bestselling author of *The Shadow of Your Smile*

{New York, NY & Nashville, TN} Kissing the wrong guy days before her wedding leads Allison to become a runaway bride. But can it also lead to happily ever after? In Beth K. Vogt’s breakout romance novel, *Wish You Were Here* (Howard Books: May 1st/ ISBN: 9781451659863) Allison Denman is supposed to get married in five short days, but everything is all wrong—the huge wedding, the frothy dress, and even the groom.

Allison finds herself in a terrible predicament. Kissing the groom’s brother in an unguarded moment is decidedly *not* the right thing to do. How could she have made such a mistake? It seems Allison’s life is nothing but mistakes at this point. And pulling a “Runaway Bride” complete with stealing, er, *borrowing* her best friend’s car doesn’t seem to solve her problems.

Can Allison find her way out of this mess? Maybe she just needs to stop orchestrating everything. Allison prefers being the one in control, and giving it up is not going to be easy. But to find her way again, she will have to believe that God has a plan for her and find the strength to let Him lead.

Wish You Were Here, a contemporary romance, is well-written, fun, and full of subtle humor—sure to be a pleasure to inspirational romance readers.

Wish You Were Here will be available May 1, 2012

Beth K. Vogt is a nonfiction author and editor who said she’d never write fiction. She’s the wife of an air force physician (now in solo practice) who said she’d never marry a doctor—or anyone in the military. She’s a mom of four who said she’d never have kids. She’s discovered that God’s best often waits behind the doors marked “Never.”

She writes contemporary romance because she believes there's more to happily ever after than the fairy tales tell us. Beth is also the author of *Baby Changes Everything: Embracing and Preparing for Motherhood after 35*, and she makes her home in Colorado.
